

## Public Notice: Regularisation of Improperly Cleared Motor Vehicles

The Zimbabwe Revenue Authority (ZIMRA) is hereby inviting the public, companies or such other entities who may be in possession of vehicles not properly cleared through ZIMRA, to approach their nearest ZIMRA Regional Office to regularize the clearance and registration of such vehicles. Irregular cases include vehicles that could have been;

- Undervalued
- Smuggled
- Imported on temporary importation permit and where the permit was unprocedurally acquired or where a regular permit has expired and where the Temporary Importation Permit (TIP) has expired.
- Cleared through a false claim to a rebate or suspension of duty or any other violation of the legislation governing the importation of vehicles.

Persons in possession of the vehicles with circumstances described above are advised to contact their nearest ZIMRA Offices through the contact details in the table below by not later than 15 December 2023 to regularise the clearances of the vehicle.

Note that penalties may be waived, depending on circumstances. The full duties, including additional duties assessed and interest on any unpaid duties will remain due and payable. Please note that this moratorium ends after 15 December 2023 and any irregularly cleared vehicle encountered thereafter will be treated as liable to seizure and possible forfeiture in terms of the Customs and Excise Act.
