

PUBLIC NOTICE: TaRMS GOES LIVE

The Commissioner Domestic Taxes hereby advises all valued taxpayers that migration of tax data from SAP TRM into the new Tax and Revenue Management System has been completed and **TaRMS is NOW LIVE**. TaRMS brings you access six additional functionalities apart from the two already rolled out modules with effect from 5 December 2023 as follows:

1. Tax Return Management
2. Payment Management
3. Revenue Accounting
4. Taxpayer Accounting
5. Debt Management
6. Refund Management

Submission of tax returns, payment of Domestic Taxes, debt management, refund processing and accessing tax statements among other functionalities can now be done in TaRMS with immediate effect.

ZIMRA would like to appreciate all taxpayers, stakeholders and the public for their cooperation and patience with the Authority during this transition period. All Taxpayers are encouraged to contact their nearest ZIMRA Offices should they face challenges with TaRMS or get in touch with the ZIMRA Contact Centre on the details provided below.
