

Public Notice: Scheduled Data Centre Maintenance

The Zimbabwe Revenue Authority (ZIMRA) advises all valued stakeholders, clients and the general public of a **scheduled maintenance of its Data Centre infrastructure** from Friday, the 13th day of March, 2026 from 2200 hours to Saturday, the 14th day of March, 2026 at 0600 hours.

This maintenance exercise is part of our ongoing commitment to **maintaining the integrity, security, reliability and optimal performance of critical information and communication technology systems** that support the delivery of services to our stakeholders and the public.

During this maintenance period, **some electronic services and online platforms may be temporarily unavailable or experience intermittent disruptions**. Every effort will be made to ensure that the maintenance work is completed within the shortest possible time and that normal services are restored promptly.

The organisation regrets any inconvenience that may be caused and appreciates the **understanding and cooperation of all users** as we carry out these essential improvements to our systems.
